Flight Instruction and Training

Flight Instruction Liability Waiver

I understand that radio controlled (RC) flying in is an inherently dangerous hobby. I also understand that my flight instructors are experienced RC pilots and they will do what they can to protect me and my aircraft.

However, I understand that there is a possibility that I may be injured or loose my aircraft through mechanical failure and/or pilot error.

To that, I release my flight instructor(s) and Woodland/Davis Aeromodelers Inc. from any liability from injury to me or the loss of my aircraft.
